

Mobile Community Services

Erica, Rawson and Walhalla Areas

We want to know which services you want to see in your community

Council is seeking feedback from residents in the Erica, Rawson and Walhalla area on what mobile services they currently use and what services they would like to see in the future. These services include Council run services (library, public meeting spaces, maternal and child health), State run services (schools and health) and Federal services such as Centrelink.

To provide your feedback complete the survey on the next page, scan the QR code on this page or visit www.bawbawshire.vic.gov.au/HaveYourSay.

This consultation opportunity is open until **Monday 1 November 2021**.

What's involved

Phase 1
Initial consultation
(now open)

A survey is being used to establish what services are currently being utilised and what residents would like to see made available in the region. Following the survey there will be two meetings held (subject to COVID-19 restrictions) where themes identified in the survey responses can be discussed and clarified before the report is finalised.

The community meetings will be held at the Erica Public Hall on Wednesday 24 November at 2pm and again at 7pm.

Phase 2
Report presented to
Council (late 2021)

Following the consultation period Council Officers will collate the information and feedback and prepare a report to Council that will include recommendations on which Council services should be provided to the region, and which State, Federal or private services Council should advocate for on behalf of the community.

Take the survey
